

## Tanmia for Oil and Construction Limited

### Chairman Message

Dear All,

Welcome to the website of the Tanmia for Oil & Construction Limited, one of the largest, most progressive and innovative EPC Contractor in Republic of Yemen.

Our Sites and Projects throughout the country have expanded rapidly while consistently maintaining a commitment to excellence in services.

Today, as our business grows to shape new horizons for both our own people and the communities which we serve, we remain committed to our philosophy of high quality services which comply with the highest international standards, developing mutually beneficial partnerships with our clients, and maintaining our stance as good corporate citizens.

The professional calibers of our technical staffs are at the forefront of their expertise areas-and our innovative project-driven satisfying employment in business and our performance reflected the capabilities of people throughout this excellent organization.

We had to maintain our strict operating and strategic discipline to sustain our safety records with a multitude of increase in workforce within our plant site.

Our safety record is in its peak by surpassing a new record of zero accident and driving for an optimum zero Recordable Injury Rate versus annual metric target.

On behalf of Tanmia Ltd, I would like to acknowledge the tremendous efforts of each and every towards achieving our goals over the past years.

As an existing or potential client, your unstinted support is highly valued as we continue to grow and participate in the development of the Oil and Construction services industry

Yours, Sincerely

**Dr. Abdul Aziz Al Mekhlafi**
